

# PSYPACT AND DISCIPLINE:

## Understanding the Role Each State Plays

One of the main purposes of PSYPACT is provide states with a regulatory mechanism designed to address disciplinary issues that occur across state lines in other compact states. PSYPACT specifies the role each state plays concerning disciplinary issues related to the practice of telepsychology and temporary in-person, face-to-face practice across state lines in PSYPACT states.

### TELEPSYCHOLOGY

PSYPACT grants a psychologist the **AUTHORITY TO PRACTICE INTERJURISDICTIONAL TELEPSYCHOLOGY** into a:

### RECEIVING STATE

- ✓ A psychologist must obtain an E.Passport Certification to practice telepsychology into a **RECEIVING STATE**.
- ✓ A psychologist is subject to the **RECEIVING STATE'S** scope of practice.
- ✓ A **RECEIVING STATE** can limit or revoke a psychologist's Authority to Practice Interjurisdictional Telepsychology.
- ✓ If a **RECEIVING STATE** takes action, it will notify the **HOME STATE** and the PSYPACT Commission.
- ✓ A **HOME STATE** will investigate and take appropriate action on reported inappropriate conduct in a **RECEIVING STATE** as it would if such conduct had occurred within the **HOME STATE**.
- ✓ A **HOME STATE'S** law will control in determining any adverse action against a psychologist's license.

If a psychologist's license in any **HOME STATE**, another **COMPACT STATE**, or any Authority to Practice Interjurisdictional Telepsychology in any **RECEIVING STATE**, is restricted, suspended or otherwise limited, the E.Passport will be revoked, and the psychologist will not be eligible to practice telepsychology in a **COMPACT STATE** under the Authority to Practice Interjurisdictional Telepsychology.

AND

### HOME STATE

A psychologist must hold a current, full and unrestricted license to practice psychology in a **HOME STATE**, which has enacted PSYPACT.

A **HOME STATE** maintains authority over the license of any psychologist practicing under the authority of PSYPACT.

A **HOME STATE** can impose adverse action against a psychologist's license issued by the **HOME STATE**.

All **HOME STATE** disciplinary orders which impose adverse action are reported to the PSYPACT Commission.

### TEMPORARY PRACTICE

PSYPACT grants a psychologist the **TEMPORARY AUTHORIZATION TO PRACTICE** in a:

### DISTANT STATE

- ✓ A psychologist must obtain an Interjurisdictional Practice Certificate (IPC) to conduct temporary practice in a **DISTANT STATE**.
- ✓ A psychologist must practice within the scope of practice of the **DISTANT STATE** and is subject to the **DISTANT STATE'S** authority and law.
- ✓ A **DISTANT STATE** can limit, revoke or take adverse action on a psychologist's Temporary Authorization to Practice.
- ✓ If a **DISTANT STATE** takes action, it will notify the **HOME STATE** and the PSYPACT Commission.
- ✓ A **DISTANT STATE** will investigate and take appropriate action on reported inappropriate conduct which occurred in that **DISTANT STATE** as it would if such conduct had occurred within the **HOME STATE**.
- ✓ A **DISTANT STATE'S** law will control in determining any adverse action against a psychologist's Temporary Authorization to Practice.

If a psychologist's license in any **HOME STATE**, another **COMPACT STATE**, or any Temporary Authorization to Practice in any **DISTANT STATE**, is restricted, suspended or otherwise limited, the IPC will be revoked, and the psychologist will not be eligible to practice in a **COMPACT STATE** under the Temporary Authorization to Practice.
